## NEW MENTORSHIPS

**Shannon Jordan - emerging photographer**

Shannon's passion for photography started with a camera her grandmother gave her in the 5th grade. She has almost completed her AA in photography at SB City College she quit her office job to concentrate on this mentorship. She is excited about the challenge and work she is doing with Rod. She says, "This is just what I need!"

**Rod Rolle - photography mentor**

Rod is an experienced teacher of photography and a photographic journalist. He photographed the likes of Michael Jackson, and Katy Perry. His editorial work has appeared in over 220 publications in 36 countries: Time, Business Week, Us Magazine (US); Stern (Germany); Manchete (Brazil). He loves stretching Shannon's capacity and guiding her pathway.

**Lisa Walker - emerging poet/writer**

Lisa has written some luscious poetry but is ready for a more sophisticated prod and a look at the pathways to market herself. She is also interested in learning grant-writing. Sojourner has been there-done that and will take her by the hand.

**Sojourner Kincaid-Rolle**

Sojourner is a poet, playwright, and author. Her six plays have been produced by Santa Barbara Dramatic Women., she has had seven books of poetry published. She had a cover story on Maya Anjelou published in the Independent and has taught workshops in poetry and writing.

**Liam Burke - emerging dance critic**

**Julie McLeod**

Liam has an extensive dance background having performed with The Australian Ballet, Tap Dogs, modern companies, Off-Broadway and assisted choreographers on Broadway. He has a BA in Creative Writing from Empire State College. He honed his skills as a dance critic in a 15 hour mentorship with Julie and has written for Noozhawk and has a position with Australia Dance Magazine writing on dance. He teaches dance in Carpinteria.

**A NEW PEER TO PEER MENTORSHIP**

In addition to being the founder/director of Art Without Limits, Julie spent 18 years writing dance reviews for SB Newpress and for Dance Magazine and Dance Teacher. "It was a pleasure working with Liam," she says. It didn't take a lot of work. He is fast, knows dance and just went for it. He has a good descriptive way with words. All I did was point out some clues and encouragement and he ran with it!"

sLaura Baldwin, a junior at Dos Pueblos and cellist with SB Youth Symphony has been playing cello for almost 7 years. She is teaching 12 year old Jade Wada to further her cello skills in weekly lessons. Jade would like to keep improving her musical skills to play in the orchestra. Her favorite artist is Yo Yo Ma.
