How do I tackle computer software programs such as Quicken or QuickBooks to handle finances? There are some of the pressing questions that Howard Hudson, CPA. will discuss in this workshop. Howard has been operating Howard Hudson & Co., CPA. in Santa Barbara since 1975.

He has a Bachelor of Arts, Business Administration with emphasis in Accounting from the University of Redlands. He has extensive experience in the areas of auditing, accounting, and business consulting. In addition to leading two previous successful workshops on financial and tax issues for artists with AWoL, Hudson has served in a leadership capacity with Santa Barbara non-profit organizations including; SBDance Alliance, SB Beautiful, PARC Foundation, SB Zoo, First United Methodist Church and SB Host Lions Club.
